# Workforce Readiness Conference

## Integrating Business & Education Career & College Readiness Standards

Join regional education, business, and community leaders at the P20 Workforce Readiness Conference on November 1, 2019.

The Conference is an opportunity to work toward bridging the gap between education and workforce.

Region 12 ESC is offering Continuing Professional Education (CPE) credits to educators.

The P20 Central Texas Regional Council is a school to work initiative that builds pathways from education to the workplace.
